Abstract

Danny Hayward's last book of poetry was *Loading Terminal* (87 Press, 2022). He operates the out-of-print/never-in-print poetry PDF archive Free Trials (www.pxxtry.com), where most of his writing is available, as well as its affiliated blog *Reports*. A book of essays about UK poetry, *Wound Building*, also available for free on the web, came out with Punctum in 2021. Some newer essays and texts, *Training Exercises*, will be published by the University of Sussex in 2024.
